AI Overview

The viral "Gil Tulog" street signs in July 2024 were a controversial marketing stunt by ad agency Gigil and supplement brand Wellspring. They temporarily altered official road signs on Gil Puyat Avenue in Makati to promote a sleep aid. Philstar.com +2

Controversy and Removal

- Makati Mayor Abby Binay ordered the immediate removal of the signs and reprimanded city hall officials who allowed the permit without proper clearance. Philstar.com +1
- The family of the late former Senate President Gil J. Puyat strongly condemned the stunt as disrespectful to his legacy and filed a formal complaint. Rappler +1

'HINDI TAYO TITIGIL HANGGA'T HINDI PA TAYO NAUUBOS'

Muling binatikos ni Davao City Mayor Baste Duterte ang administrasyong Marcos kaugnay ng patuloy umanong pagpuntirya sa mga kaalyado ng pamilya Duterte.

Sa pagdalo niya sa national assembly ng Partido Demokratiko Pilipino (PDP) ngayong araw, sinabi ng alkalde na inuuna raw ng Palasyo ang impeachment trial para pigilan si Vice Pres. Sara Duterte na tumakbo sa 2028 elections.

Umalma rin si Mayor Baste sa pagpapakulong sa kanyang ama na si dating Pangulong Rodrigo Duterte at kay Sen. Rodante Marcoleta.

India's Education Minister Dharmendra Pradhan has resigned after weeks of protests over exam paper leaks and testing irregularities.

The demonstrations were spearheaded by the Cockroach Janta Party (CJP) - not a real party, but a satirical campaign turned national movement.

What began as a student-led campaign against alleged exam paper leaks became one of India's biggest displays of public dissent in recent years, with thousands camping in Delhi and demonstrations spreading across the country.

TINGNAN: Naglabas ng kaniyang pahayag sa social media si House Prosecutor Chel Diokno hinggil sa konteksto ng kaniyang sinabi patungkol sa alegasyon ng "fishing expedition" sa impeachment trial ni Vice President Sara Duterte.

"Linawin ko po: Hindi tayo nagbabakasakali lang. May probable cause o sapat na dahilan na nakita sa mga record ng Anti-Money Laundering Council (AMLC) tungkol sa bilyun-bilyong dumaan sa accounts ng VP at kaniyang asawa," dagdag pa ni Diokno.

Chel Diokno

With all due respect to the Senator-Judge at para hindi maligaw ang publiko, ito po ang konteksto at kumpleto na sinabi ko:

"(Ang fishing expedition) ay maaaring sabihin nating nangyari kung only if the party requesting the evidence or documents ay nagbabakasakali lang, baka may makuha tayo dito."

Linawin ko po: Hindi tayo nagbabakasakali lang. May probable cause o sapat na dahilan na nakita sa mga record ng Anti-Money Laundering Council (AMLC) tungkol sa bilyun-bilyong dumaan sa accounts ng VP at kanyang asawa.

Hiningi natin ang bank records para makita kung tugma ito sa sinasabi ng AMLC reports. Tandaan: Ang bank records ay maaari lang mailabas kapag may utos o subpoena mula sa korte. Ibig sabihin, kung nabuksan ng Kamara ang mismong bank records bago ang trial, paglabag yan sa karapatan at due process ni VP Sara Duterte.

Ngayong may subpoena na para sa bank records ng Bise Presidente, magagamit ito ng magkabilang panig para patunayan ang kanilang kaso.

Sa ganitong paraan, makakapagpasya ang mga Sen[illegible] ebidensya.

pag-priority ng gobyerno sa impeachment trial ni VP Sara Duterte sa halip na panagutin ang mga nagbulsa ng aniya'y trilyon-trilyong pera mula sa kaban ng bayan.

Sa kaniyang pagdalo sa PDP Laban National Assembly 2026, kinuwestiyon ni Davao City Mayor Sebastian "Baste" Duterte ang umano'y pag-priority ng gobyerno sa impeachment trial ni VP Sara Duterte sa halip na panagutin ang mga nagbulsa ng aniya'y trilyon-trilyong pera mula sa kaban ng bayan.

Naglalaman ang bag ng mga ID, ATM cards at P6,000 na pambayad sa matrikula ng anak ng biktima.

Naibalik ang bag kinabukasan ngunit wala na ang pera. Ayon sa Barangay 80, residente sa kanilang lugar ang suspek at nasangkot na rin sa kaparehong panloloob sa isa pang paaralan kamakailan. | via Eon Sanchez, ABS-CBN News

'VICE GANDA BINAS*TOS AT BINUGAHAN NG TUBIG SA MUKHA NG ISANG DANCER NILA' 😢

May panawagan ang mga netizens ngayon sa racist joke na banat ni Vice Ganda at pagbuga ng tubig sa mukha ng isang Baby Dolls Dancer nila sa It's Showtime segment kung saan sa isang role play ay bumanat siya ng joke kay Baby Dolls Johaira at biro niya na bakit umano 'nagkaputik' ito ng matapunan niya ito ng tubig sa mukha. Giit ng iba na hindi dapat ito ginagawang katatawanan at dapat lang na ma-call out.

According to later reports, the young woman died of starvation around October 2010, just four months after the interview. She was reportedly found in a cornfield where she had gone in search of food during the harvest season. Because she had no known relatives, reports claimed her body remained where it was found for an extended period before authorities recovered it.

The footage was later broadcast around the world, offering a rare glimpse into everyday life inside North Korea. It also highlighted the extraordinary risks taken by undercover journalists, who secretly documented conditions inside the country and smuggled their recordings across the border using memory cards and Chinese mobile phone networks.

In June 2010, undercover North Korean journalist Kim Dong-Cheul secretly filmed scenes of everyday life inside one of the world's most isolated countries. Risking execution if discovered, he smuggled the footage out of North Korea, where it was later broadcast by international media.

Among the most haunting moments was an interview with a homeless 23-year-old woman wandering through fields in South Pyongan Province. Wearing tattered clothing and visibly malnourished, she gathered wild grass in a desperate attempt to survive.

When asked whether the grass was for rabbits, she quietly replied, "No, I'm going to eat it myself."
She explained that both of her parents had died, leaving her without a home or family. Forced to sleep outdoors, she survived by searching for anything edible in fields and markets.

RIP BLADE with Mahershala! We hardly knew ye!! Shame they couldn't get this one off the ground together but it was awesome to see my logo revealed at Hall H in 2019 and still super proud of it!! - I wanted to edit this post by saying I was just going off what Feige said in a recent interview. I'm hoping the logo stays and that they recast!!

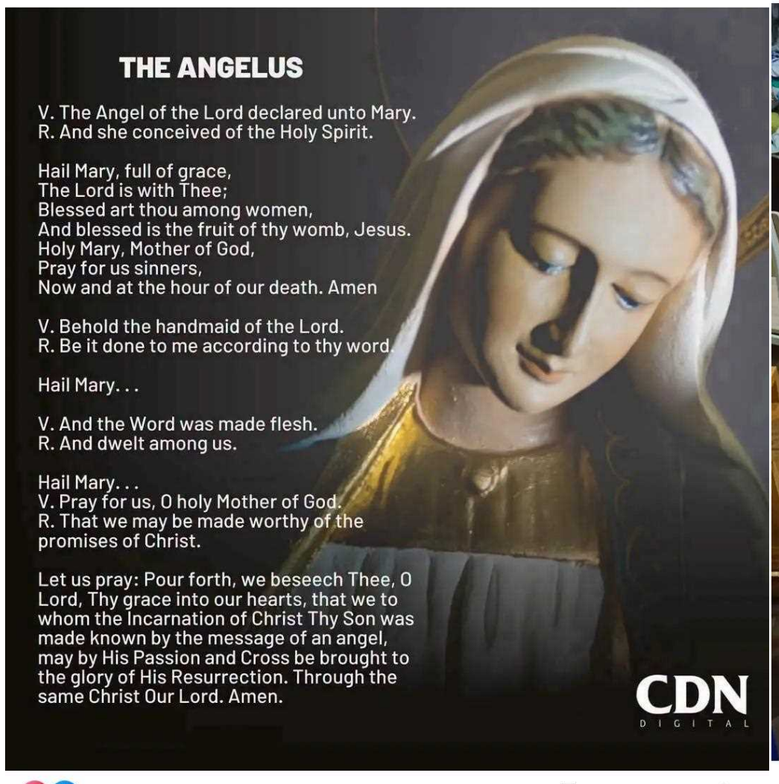
Let us pray the Angelus prayer. #CDNDigital



THE ANGELUS
V. The Angel of the Lord declared unto Mary.
R. And she conceived of the Holy Spirit.
Hail Mary, full of grace,
The Lord is with Thee;
Blessed art thou among women,
And blessed is the fruit of thy womb, Jesus.
Holy Mary, Mother of God,
Pray for us sinners,
Now and at the hour of our death. Amen
V. Behold the handmaid of the Lord.
R. Be it done to me according to thy word.
Hail Mary. . .
V. And the Word was made flesh.
R. And dwelt among us.
Hail Mary. . .
V. Pray for us, O holy Mother of God.
R. That we may be made worthy of the promises of Christ.
Let us pray: Pour forth, we beseech Thee, O Lord, Thy grace into our hearts, that we to whom the Incarnation of Christ Thy Son was made known by the message of an angel, may by His Passion and Cross be brought to the glory of His Resurrection. Through the same Christ Our Lord. Amen.

Dear Kuya Kim Atienza
Peace be with you.
I have been reflecting on the words I said in one of my homilies, and after learning that they caused you pain, I felt the need to write to you personally.
From the bottom of my heart, I am truly sorry.
It was never my intention to hurt you or your family, nor was it my intention to discredit the experiences of those who suffer
As a priest, my desire has always been to bring hope to people who are suffering. The point I was trying to make was that, in the midst of life's trials, we should not lose sight of the blessings that God continues to give us. I wanted to encourage people to find reasons to hope instead of allowing suffering to have the final word.
But I also understand that depression is not simply a matter
I cannot begin to imagine the pain of losing a child. As a son, and as a priest who has accompanied many grieving families, I know that no parent should ever have to endure such a loss. My heart goes out to you and your family. Please know that you have my prayers and my deepest sympathy.
If my words reopened wounds or added to your burden, I am deeply sorry. I accept that while my intention was to inspire hope, the impact was different for you and for others who have lived through the tragedy of depression and suicide.
Thank you for reminding me that as a preacher, I must always strive to speak the truth with greater compassion and sensitivity. I will carry this lesson with me in my ministry.
May the Lord continue to comfort

He tells the sick person to call the leaders of the Church, who will pray over them and anoint them with oil.

That's exactly what Catholics have been doing for 2,000 years.

The Anointing of the Sick isn't magic, and it isn't reserved only for someone's final moments. It's a sacrament through which Christ gives strength, peace, forgiveness, and grace to those who are seriously ill.

Catholics aren't adding to the Bible.

We're following it.

"Anointing the Sick isn't in the Bible."

We hear that claim all the time.

But here's what Scripture actually says:

"Is anyone among you sick? He should summon the presbyters of the Church, and they should pray over him and anoint him with oil in the name of the Lord." — James 5:14

Notice what James doesn't say.

He doesn't say, "Just pray privately."

He tells the sick person to call the leaders of the Church, who will pray over them and anoint them with oil.

That's exactly what Catholics have been doing for 2,000 years.

Pareho ang porsiyentong binabayaran ng bilyonaryo at minimum-wage earner, pero hindi pareho ang sakit ng bawas sa kanilang bulsa. Sa mayaman, bahagi lamang ito ng gastos. Sa mahirap, maaari itong katumbas ng isang pagkain, pamasahe o gamot.

Kaya makalipas ang 39 taon, hindi na sapat na itanong kung mahusay bang mangolekta ang VAT. Ang mas mahalagang tanong ay kung makatarungan pa ba ang 12%.

Panahon na bang seryosong pag-aralan ng Kongreso ang pagbaba nito, lalo na sa mga pangunahing bilihin at serbisyong hindi naman kayang iwasan ng ordinaryong Pilipino?

TODAY MARKS THE 39TH ANNIVERSARY OF VAT IN THE PHILIPPINES

Noong July 25, 1987, nilagdaan ni President Cory Aquino ang Executive Order No. 273 na nagpatupad ng 10% VAT. Pinalawak pa ang sistema sa ilalim ni President Fidel Ramos.

Madalas maiugnay kay Ralph Recto ang 12% VAT, pero hindi siya ang nagpasimula nito. Ang batas na sinuportahan niya ay nagtaas ng VAT mula 10% tungong 12%, o dagdag na dalawang percentage points lamang.

Sa loob ng 39 taon, naging isa ang VAT sa pinakamadaling kolektahing buwis dahil hindi na kailangang habulin ng gobyerno ang bawat mamamayan. Nakasingit na ito sa presyo ng pagkain, kuryente, serbisyo at halos bawat transaksyon.

Iyan ang lakas ng VAT, pero iyan din ang problema nito.

Pareho ang porsiyentong binabayaran ng bilyonaryo at minimum-wage earner, pero hindi pareho ang sakit ng bawas sa kanilang bulsa. Sa mayaman, bahagi lamang ito ng gastos. Sa mahirap, maaari itong katumbas ng isang pagkain, pamasahe o gamot.

St. Augustine reflects that Mary sought to touch Him as the man she had lost, but Jesus redirects her love toward belief in His divinity and her mission to proclaim the Good News. Her love needed purifying so she could move from personal encounter to apostolic witness.

St. Gregory the Great notes the tender distinction: Mary, already believing, is sent immediately on mission. Thomas, struggling with doubt, receives physical proof in mercy so his faith may triumph.

The Catechism reminds us that the Resurrection inaugurates Christ's glorious body (CCC 645). As the "Apostle to the Apostles," St. Mary Magdalene models the call to move from intimate encounter with the Risen Lord to sharing His Resurrection with the world.

Jesus purifies Mary's love from any merely sentimental attachment and meets Thomas exactly in his doubt — showing us His gentle, personal care for every heart.

St. Mary Magdalene, pray for us! Help us proclaim the Resurrection with joy. 🌹

After His Resurrection, Mary Magdalene recognizes Jesus and reaches out in overwhelming joy. But He gently tells her: “Do not touch Me, for I have not yet ascended to My Father; but go to My brethren and say to them, ‘I am ascending to My Father and your Father, and to My God and your God.’” (John 20:17)

Soon after, to Doubting Thomas, Jesus says: “Reach your finger here, and look at My hands; and reach your hand here, and put it into My side. Do not be unbelieving, but believing.” (John 20:27)

This is not a contradiction, but a profound lesson in how the Risen Christ meets each soul according to its need.

The saints explain it beautifully:

St. Thomas Aquinas teaches that Mary already believed with ardent love, but she was still clinging to Christ in a familiar, earthly way. Jesus invites her to a higher, spiritual faith — to recognize Him as the glorified Lord ascending to the Father.

St. Augustine reflects that Mary sought to touch Him as the man she had lost, but Jesus redirects her love toward belief in His divinity

PINAKAMAIKSING SONA

#TVPatrolThrowback: 21 taon na ang nakalipas nang iulat ni dating Pangulong Gloria Macapagal-Arroyo sa mga Pilipino ang kaniyang mga hangarin, natapos, at balak pang gawin sa kaniyang State of the Nation Address noong Hulyo 25, 2005.

Sa gitna ng mga matinding kontrobersya mula sa "Hello Garci" scandal at impeachment complaint, naging sentro ang Charter Change o ChaCha matapos ibaling ni Pangulong Arroyo sa pagpapalit ng Saligang Batas tungo sa federal-parliamentary system ang kanyang ika-5 SONA.

Ipinagmalaki niya ang higit 6% GDP growth, paglikha ng mga bagong trabaho at pag-eengganyo ng foreign investment sa bansa.

Nagtagal naman ang kaniyang 2005 SONA nang humigit kumulang 25 minuto na pinakamaikli sa kasaysayan.

Servant of God Silvio Dissegna, an Italian boy who died of bone cancer at age 12, is remembered for the extraordinary faith with which he accepted and offered his pain.

Born in 1967 near Turin, Silvio was diagnosed with a severe form of bone cancer as a child. The illness brought intense suffering and progressive loss of mobility. Rather than despair, he deliberately united his cross with Jesus.

He would often say, “Today I offer my sufferings for the Pope and for the Church,” and “I offer especially for the missionaries and for the conversion of sinners.”

To his distressed father he said, “Papa, have courage! Jesus will not abandon us.” To his mother he declared, “If I die it is not important. I will suffer to the end.” Family and hospital staff later testified to his constant prayer, peace, and ability to encourage others even as his condition worsened. Silvio died on September 24, 1979.

His cause for beatification continues. In a time that often struggles to find meaning in suffering, the witness of this 12-year-old boy remains a clear and powerful example of redemptive love.

Silvio Dissegna, pray for us! 🙏

Umalma ang ilang netizens sa ginawa ni vice ganda sa isang dancer during live tv, hindi nagustuhan at tinawag na racism ang ginawa ni vice ganda sa isang babaeng dancer ng its showtime.

Pinagtanggol naman si vice ganda ng kanyang mga tagahanga at sinabing itoy biro lang umano ”it was a joke and vice didnt mean it” sabi ng fans ni vice.

GOOD VIBES LANG?

Umani ng batikos ang online post ng isang konsehal sa Bustos, Bulacan matapos tila gayahin at gawing biro ang nag-viral na motorcycle taxi rider kamakailan.

Sa litratong pinost ni konsehal Tangkol Perez, nakasaad ang mga katagang, "'Wag niyo po akong sasaktan, parang awa niyo na. Mawawalan ng poging konsehal ang bayan ng Bustos."

Pakiusap ng ilang netizens, huwag daw sanang gawing katatawanan ang isyu tungkol sa mga rider na nabibiktima ng mga holdaper. Depensa naman ni Perez, gusto lang niyang maghatid ng good vibes.

"Hindi mo ba maintindihan 'yung good vibes? Hindi siguro nabibigyan ng ayuda 'to," sagot niya sa isang netizen.

Dear Igit **Cho Moreno**,

Hindi lang naman baha ang pinag-uusapan dito, kundi pati ang flood control. Sobrang ingay niyo sa flood control sa Manila, pero bakit tahimik kayo pagdating sa flood control ng mga Duterte?

Mahigit apat na dekada nang pinamunuan ng mga Duterte ang Davao. Anyare?

Kung talagang ayaw ninyo sa korapsyon at galit kayo sa palpak na flood control, hindi kayo dapat selective.

Dapat hanapin niyo rin kung nasaan ang bilyon-bilyong flood control budget ng mga Duterte.

Iniiba mo ang usapan eh.

What I was trying to say here is this: Many parts of the world, not only in the Philippines, are drowning from massive floods due to typhoons and other factors.

Ang abogadong may argumentong pilipit, sa spliced video kumakapit. Dahil nasoplak ni Akbayan Rep. Chel Diokno ang magkapatid na senator-judge, pilit nilang binabaluktot ang kwento. Ang sad, noh? Move on na po. Better luck next time. “That's just how it is.”

Pero ang mas nakakalungkot, ganito ang content ng isang senator-judge Linyang-linya sa kampo ni Sara. Saan ka nakakita ng judge na tino-troll online ang prosecution? Sino ngayon ang one-sided?

Health Minister Nina Warken is set to become Chancellor Friedrich Merz's new chief of staff, according to German media reports. The conservative CDU's general secretary, Carsten Linnemann, is then expected to become the new health minister.

This follows the nomination of Thorsten Frei for the position of CDU/CSU parliamentary group leader, a role vacated by Jens Spahn after he resigned over a row related to the use of a surrogate mother in the US for the birth of his son.

Mother Teresa died on September 5, 1997, after dedicating her life to serving Christ among the poorest, the sick, the dying, and the abandoned.

Because of her extraordinary reputation for holiness, Pope John Paul II waived the customary five-year waiting period, allowing her cause for sainthood to begin early. She was beatified in 2003 and canonized by Pope Francis on September 4, 2016 (just 19 years after her death).

The woman who spent her life seeing and serving Jesus Christ in the poorest of the poor was raised to the altars of the universal Church.

After examining her life, heroic virtue, and the miracles attributed to her intercession, the Church formally proclaimed her Saint Teresa of Calcutta.

Saint Teresa of Calcutta, pray for us.

⚠️The planned Pax Silica AI and semiconductor hub in New Clark City, Tarlac could require up to 3 to 5 gigawatts (3,000 to 5,000 megawatts) of power daily, which is equivalent to roughly one-third of Luzon's projected peak electricity demand of about 15,600 MW

To prevent straining the national grid, the ABSCBN News report notes that the tech hub aims to build its own dedicated energy infrastructure, relying primarily on renewable energy like solar power rather than pulling directly from existing public lines.

Construction for the 4,000-acre/1600 hectares economic security zone is targeted to begin in the first quarter of 2028.

Tinawag ni Hesus si Santiago na sumunod sa Kanya, at buong puso siyang tumugon. Nawa’y maging handa rin tayong sumunod kay Hesus sa hirap at ginhawa.
Sinabi ni Hesus, “Ang ibig maging dakila ay maging lingkod.” Tulad ni Santiago, nawa’y matutuhan din nating magmahal at maglingkod nang buong puso.

'PINOCCHIO: UNSTRUNG', a new horror movie, is now playing in theatres. It is officially set in the Poohniverse.

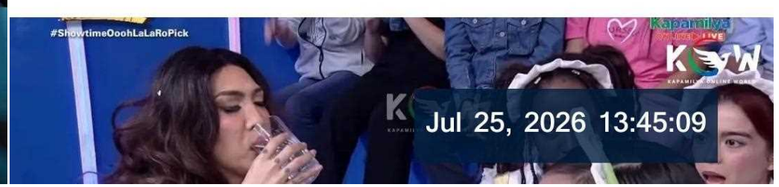
The film follows a dark coming-of-age reimagining of Pinocchio, chronicling the iconic puppet's deeply unsettling journey as he struggles to become real.

It is Certified Fresh with an 87% score on Rotten Tomatoes.

Mahirap din ang sitwasyon niya. Halos araw-araw natin siyang kasama nang live—spontaneous, walang edit, walang second take—unlike many major celebrities whose appearances pass through writers, editors, handlers, and publicists. Kaya oo, mas mataas ang posibilidad na magkamali siya sa harap ng publiko. Pero paliwanag iyon kung paano nangyari ang pagkakamali; hindi iyon exemption sa epekto nito.

Puwedeng mahalin ang isang artista at sabihing mali siya. Sa katunayan, mas kailangan siyang sabihan dahil alam nating kaya niyang maging mas matalino rito. Hindi accountability ang palaging “joke lang.” Palusot iyon kapag ang nakakatawa para sa makapangyarihan ay kahihiyan para sa taong walang kapantay na mikropono.

Hindi ko hinihinging maging perpekto si Vice. Ang hinihingi ko ay harapin niya ito nang diretso, take accountability, apologize without turning the criticism into another punchline, and grow from it. Nasaksihan naman nating kaya niyang mag-evolve. Walang masisira sa career niya sa pag-amin na sumobra siya—mas nakakabawas ang pagpipilit na walang mali.



television, habang ang nasa kabilang dulo ay kailangang ngumiti at sumabay dahil milyon ang nanonood. Hindi lahat ng pagtawa ay consent; minsan survival skill lang iyon para hindi lalong mapahiya.

At hindi rin nakakatawa ang mabugahan ng tubig. Hindi kailangan ng master's degree sa comedy studies para malaman iyon. Kapag ikaw ang binugahan sa mukha, biglang nawawala ang philosophical defense tungkol sa "subjectivity of humor."

Vice has spent years teaching Filipinos that queer people should not be reduced to stereotypes. Sana pareho ring prinsipyo ang gamitin niya sa ibang marginalized people. You cannot demand dignity for your own community while borrowing another community's skin color as a punchline.

Nasaksihan ko rin naman ang growth ni Vice sa paglipas ng mga taon. Mas naging politically aware siya, mas sensitibo sa maraming social issues, at ilang beses na rin niyang ipinakitang kaya niyang mag-reflect at magbago. Kaya hindi ko siya hinuhusgahan na para bang ito na ang kabuuan ng pagkatao niya. Pero growth is not a lifetime exemption from criticism.

Mahirap din ang sitwasyon niya. Halos araw-araw natin siyang kasama nang live—spontaneous, walang edit, walang second take—unlike many major celebrities whose

Fan ako ni Vice Ganda. Mahal ko ang talino, bilis ng utak, at ambag niya sa queer visibility. Pero precisely because I am a fan, hindi ko kailangang gawing personality ang pagtatanggol sa lahat ng ginagawa niya. This was racist, demeaning, and painfully off.

Hindi lahat ng joke nakakatawa sa lahat—totoo. Comedy is subjective. Pero hindi ibig sabihin na walang linya. Kapag ang punchline ay ikinumpara ang maitim na balat ng isang Black woman sa putik, hindi na simpleng "hindi mo lang gets ang humor." Racialized humiliation iyon: ginagawang marumi, kakaiba, at katawa-tawa ang isang katangiang matagal nang ginagamit upang maliitin ang Black people.

At 2026 na. Mas malawak na ang kaalaman natin tungkol sa anti-Blackness, colorism, consent, at power imbalance. Hindi ito simpleng pagiging "masyadong sensitive." Mas marunong na lamang tayong kilalanin kung sino ang ginagawang bayad para may makuha tayong ilang segundong tawanan.

At bago sabihin na "biruan lang naman," tandaan nating hindi equal ang eksena. Isang napakalaking celebrity ang nagbibiro sa live television, habang ang nasa kabilang dulo ay kailangang ngumiti at sumabay dahil milyon ang

AUTHENTIC ANG VIDEO — SANTIAGO

Iginiit ni dating National Bureau of Investigation (NBI) director Atty. Jaime Santiago na “tunay na pangyayari” ang November 23, 2024 online press conference ni Vice Pres. Sara Duterte.

Ayon kay Santiago sa “Storycon” ng One News, nakakuha ang NBI ng certification na totoo ang video.

“Talagang nag-proceed kami sa pag-iimbestiga… Noong ma-check namin na authentic ‘yung video at talagang si VP Sara ang nagsalita doon ay nag-compose ako ng investigating team,” dagdag niya.

Sa naturang online press conference, binitawan ng bise ang umano’y pagbabanta laban kay Pres. Bongbong Marcos at iba pang opisyal.

Kabilang ang umano’y pagbabanta sa articles of impeachment na tinatalakay sa Senate Impeachment Court.

INIMBITAHAN PERO 'DI NAMAN SUMIPOT

Hindi umano sumipot si Vice Pres. Sara Duterte nang imbitahan umano ng National Bureau of Investigation (NBI) noon para sa imbestigasyon sa umano'y banta sa buhay ng bise, ayon kay dating NBI director Atty. Jaime Santiago.

“Mandato ng NBI na kapag may threat sa buhay ng Presidente, Vice President… kailangan motu proprio, pumasok ang NBI at mag-imbestiga. So sinabi namin kay Ma’am VP Sara na, ‘Ma’am, imbestigahan natin lahat ‘yan,’” sabi niya.

Pero nagpadala umano ang bise ng abogado at sinabing hindi siya makakarating.

“Ni-reset ko ‘yung investigation para mabigyan siya ng time… Pero ‘yung pangalawang pagkakataon, ‘di pa rin siya sumipot,” sabi ni Santiago sa “Storycon” ng One News.

Following the transition of Disney+ SEA and MENA to the global Disney+ version, Disney has gradually been adding Southeast Asian, Arabic, and Hebrew audio tracks, along with their cast credits, starting in March and continuing to the present.

Because of this, I've put together a Drive folder containing the Indonesian cast credits I've gathered from various sources, including people with regular Disney+ subscriptions. If you're ever looking for Indonesian credits, feel free to check out the Drive folder below. I'll continue updating it whenever I receive new information.

Special thanks to @charguigou, @thejameslemoviespluschannel, and several kind strangers from dubbingdatabase.com and X who shared this information with me. And sorry if I've been a bit annoying by asking so many questions. I've just been really excited about this ^^

the ICC in June, following a report by the executive committee of the court's oversight body that found he had committed "serious misconduct."
In all, 82 of the court's 125 member states voted in favor of Khan's removal while 13 voted against and 15 countries abstained.

Khan, 56, made headlines in 2024 when he successfully applied for arrest warrants against Israeli Prime Minister Benjamin Netanyahu and former Defense Minister Yoav Gallant over the Gaza war, as well as leading members of the Hamas militant group who have since been killed.

All active ICC warrants will remain in place despite Khan's dismissal, because only ICC judges have the authority to withdraw warrants.

International Criminal Court (ICC) members voted on Friday to dismiss Karim Khan as chief prosecutor following allegations of sexual misconduct, the AP and Reuters news agencies reported.

A British barrister, Khan was accused of sexual misconduct with a female aide, allegations which he has repeatedly denied. He had been temporarily removed from his duties at the ICC in June, following a report by the executive committee of the court's oversight body that found he had committed "serious misconduct."
In all, 82 of the court's 125 member states voted in favor of Khan's removal while 13 voted against and 15 countries abstained.

DATE: JUL 07 2026
TIME: 10:52AM
BY:

Dear Senate President Gatchalian,

In light of the unique circumstances of the trial and the need to safeguard all individuals directly participating in the proceedings, the Office of the Vice President (OVP) respectfully requests the implementation of the following arrangements throughout its duration:

1. All food and beverage intended for the members of the defense team, support staff, and witnesses shall be served exclusively in their designated holding room.
2. To address legitimate security concerns and to provide the necessary level of assurance to all concerned personnel and witnesses, all food and beverage shall be sourced, prepared, and served exclusively by the OVP's accredited caterer.
3. As these arrangements are required solely in connection with these proceedings, the OVP respectfully requests that the Senate shoulder the reasonable costs of food and beverage and catering services for the defense team, support staff, and witnesses.

The requested measures are necessary to safeguard the safety and well-being of the defense team, support staff, and witnesses, ensure their full and effective participation, and support the orderly and uninterrupted conduct of the proceedings.

We trust that the Senate will recognize the necessity of these arrangements and approve their implementation for the entire duration of the trial.

Very truly yours,

SITUATION 7

Reinforced concrete beams having widths of 400 mm and overall depths of 600 mm are spaced 3 meters on centers as shown in the Figure. These beams support a 100 mm thick slab. The superimposed loads on these beams are as follows:

Dead load (incl. floor finish, ceiling, etc.) ..... 3.2 kPa
Live load ..... 3.6 kPa

The columns E and H are omitted such that the girder BEHK supports the beams DEF at E and GHI at H. Assume EI = constant for all beams. Unit weight of concrete is 24 kN/m³.

19. Determine the factored uniform load on beam GHI, in kN/m.
A. 47.71 C. 67.21
B. 56.98 D. 41.23

20. Determine the maximum factored shear (in kN) in beam GHI assuming that G and I are fixed and H is hinge.
A. 143.2 C. 121.1
B. 178.9 D. 98.4

21. Determine the maximum factored positive moment (in kN-m) in beam GHI assuming that G and I are fixed and H is hinge.
A. 213 C. 154
B. 187 D. 112

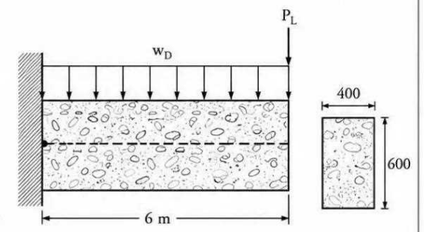
SITUATION 6

The 6 m long prestressed cantilever beam shown in the Figure carries a concentrated live load of 11 kN at the free end and a uniform deadload due to its own weight. Unit weight of concrete is 20 kN/m³. The strands are 12 mm in diameter with total prestressing force of 540 kN applied at an eccentricity "e" above the neutral axis of the cross-section.



16. What is the maximum stress (MPa) in the bottom fiber of the beam at the free end when the eccentricity e = 0?
A. -7.86 C. -2.25
B. -13.45 D. -10.35

17. What is the stress in the top fiber of the beam at the fixed end when the eccentricity e = 100 mm?
A. +5.4 MPa C. +8.1 MPa
B. +6.3 MPa D. +3.6 MPa

18. What is the required eccentricity e such that the stress in the top fiber of the beam at the fixed end is zero?
A. 230 mm C. 200 mm
B. 160 mm D. 260 mm

GIVEN:
- Length of beam, $L = 6$ m
- Concentrated live load at free end, $P_L = 11$ kN
- Unit weight of concrete, $\gamma_c = 20$ kN/m³
- Total prestressing force, $P = 540$ kN
- Strand diameter = 12 mm
- Cross-section: $b = 400$ mm, $h = 600$ mm
- Prestressing eccentricity = e (above N.A.)
- Cantilever: fixed at left, free at right

(All dimensions in mm)

FORMULAS AND NOTES:
- Self-weight (uniform load): $w_D = \gamma_c \times b \times h = 20(0.4)(0.6) = 4.8$ kN/m
- For cantilever with UDL w_D over full length:
  - Shear at fixed end: $V = w_D L + P_L$
  - Moment at fixed end due to UDL: $M_w = \frac{w_D L^2}{2}$
  - Moment at fixed end due to P_L: $M_P = P_L L$
- Total fixed-end moment: $M_0 = M_w + M_P$
- Section properties: $A = bh$, $I = \frac{bh^3}{12}$, $c = \frac{h}{2}$
- Stress at a fiber: $\sigma = -\frac{P}{A} + \frac{Pe}{I}y + \frac{M}{I}y$
(Take compression as negative, tension as positive)

Where:
P = prestressing force
e = eccentricity above neutral axis
M = bending moment at the section
y = distance from neutral axis to fiber
(top fiber: $y = +c$, bottom fiber: $y = -c$)

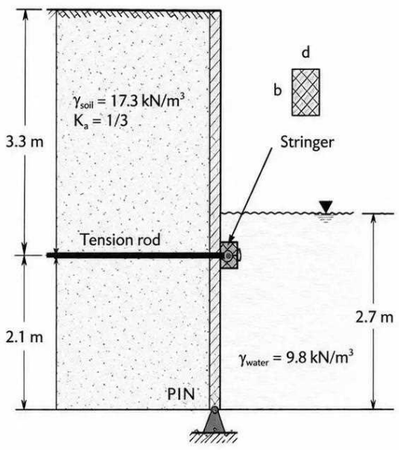
The sheet pile shown in the Figure is provided with tension rods spaced 3 meters apart. The wooden stringers has d = 300 mm and can be considered simply supported at each connection to the tension rod. Allowable bending and shearing stresses of the stringer are 14.7 MPa and 1.48 MPa, respectively.



13. What is the design moment of the stringer?

A. 54.8 kN·m C. 42.4 kN·m
B. 74.4 kN·m D. 63.9 kN·m

14. What is the value of stringer width 'b' based on bending?

A. 192 mm C. 290 mm
B. 249 mm D. 338 mm

15. What is the value of stringer width 'b' based on shear?

A. 321 mm C. 288 mm

Death threats are not free speech. Hindi kailanman dapat kunsintihin ang lenggwahe ng pananakot, karahasan at pagpatay na naging normal sa administrasyong Duterte.

I thought I was done when the season ended. I wasn't ready to announce it, and I knew I needed some time to really decide, but I was pretty sure I played my last game. I was honest at that last press conference when I said I needed to look at myself and deicide if I still love this game. I still truly love this game, and I have more to give.
The last few weeks have really been special. I've never been able to have no clue what to do and take real time to just think. I've had an incredible few months with all the people I love trying to figure it all out. This is my last decision. I'm not going for money. I'm not going for family. What am I really playing for at this point?
I still want to sacrifice. I still want to work. I still want to grind. I still want to compete, to win and to have a chance at the feeling of winning another championship.
I believe I can help make the Philadelphia 76ers a championship team and I am so excited to energize a new fan base and start this incredible journey one last time.
Thank you LA. Miami I'll forever love and Northeast Ohio will always home!

More than 380 years later, the Miracle of Calanda continues to inspire faith in the power of prayer and the maternal care of Our Lady.

Our Lady of Pillar, pray for us! 🙏

In 1640, in the Spanish village of Calanda, a young man named Miguel Juan Pellicer experienced one of the most extraordinary miracles in Catholic history.

Years earlier, Miguel had lost his right leg in a tragic accident. The limb was amputated and buried in the hospital cemetery. He lived with a wooden prosthesis and deep devotion to Our Lady of the Pillar in Zaragoza. Night after night he prayed for her intercession.

One evening in March 1640, after returning from Mass and praying before a small image of Our Lady of the Pillar, Miguel went to sleep. The next morning his parents found him in bed — with two healthy legs. The restored leg bore the same scars from his earlier injuries. The wooden prosthesis lay useless on the floor.

The case was thoroughly investigated by both civil and Church authorities.

Witnesses confirmed the amputation, the burial of the leg, and the sudden restoration. The miracle was officially recognized and remains one of the most dramatic accounts of physical healing attributed to the intercession of the Blessed Virgin Mary.

Akbayan Rep. Chel Diokno ang magkapatid na senator-judge, pilit nilang binabaluktot ang kwento. Ang sad, noh? Move on na po. Better luck next time. “That's just how it is.”

Pero ang mas nakakalungkot, ganito ang content ng isang senator-judge. Linyang-linya sa kampo ni Sara. Saan ka nakakita ng judge na tino-troll online ang prosecution? Sino ngayon ang one-sided?

Dear DDS,

Ang bagyo ay hindi po lindol. May weather forecast po na nag-a-anticipate sa mga papasok na bagyo o habagat. Kung matino ang mayor at totoong may malasakit, hindi siya pupunta sa abroad para mag-party doon kung alam niyang kinabukasan naman ay masasalanta ng baha ang kaniyang mga constituents.

Ang ingay ninyo nga nung nag-bus si Leni, pero tahimik kayo sa mayor ninyong nagbabakasyon sa abroad habang binabaha ang mga Davaoeño.

47m •

Left photo shows Mayor Baste a few days ago. Nasa abroad siya at nagpaparty habang binabaha sa Davao City.

If this was Mayor Leni, for sure kaliwa't kanan ang matatanggap na batikos mula sa mga kakampinks at mas lalo na mula sa mga DDS.

Pero may narinig ba kayong ingay mula sa mga DDS? Of course wala, dahil Baste is a Duterte.

Lyles topped the previous world lead of 9.82 seconds, set last month by Jamaican Oblique Seville, the reigning world champion in the 100.

It was Lyles' third U.S. title in the event and third 100-meter victory in the last three months. He won the Golden Grand Prix in Tokyo in May, posting a time of 9.95 seconds. In June, at the Golden Gala Pietro Mennea in Italy, he ran the 100 in 9.88 seconds.

Noah Lyles took the world lead in securing the national championship in the 100-meter dash.

His time of 9.79 seconds Friday matched his personal best — the same time that won him gold in the 2024 Summer Olympics. It was good enough to easily beat the field at the 2026 U.S. outdoor national championships at Icahn Stadium in New York and also establish the top time in the world this season.

Robbie Baker took second at 9.875 seconds. He edged out Lyles' chief rival, Kenny Bednarek, whose 9.88 earned him the bronze.

Actress Elisse Josson confirms that she and her longtime partner McCoy de Leon have officially parted ways but says they both remain united in their love for their daughter, Felize. (📷@elissejossonn/IG)

Original audio
elissejossonn My biggest dream in life has always been to build a family I could call mine. A home. That dream shaped us. It grounded us. And for all the beautiful five years (and more) that we were together, we held onto that dream with everything we had. We made that promise..to love, to fight, to stay.
And truthfully, we both tried. We both held on for as long as we could.
But now, we're learning to let go.
Together, we're releasing that dream... so we can finally allow a new kind of peace, growth, and healing to enter.
And letting go doesn't mean we failed.
Because what we had was real. And it gave us the greatest gift..
Our Felize.
There are moments when she wraps her arms around us and says,
"My family belongs to me."
And she will always be right.
No matter how life changes, we will always belong to her. Her mommy. Her daddy. Her family.
That will never ever change.
We're sharing this to honor what was.
To give space for healing.. for both of us and for the lives we're choosing from here on.
No need for speculations, no assumptions. This wasn't easy for either of us. We simply ask for kindness and respect as this story and how it's remembered, may one day shape what our daughter believes about love, family, and letting go.
Thank you for holding space for our story.
This is us, stepping into a new chapter
with love, respect, and no regrets.
